Skillsoft Recognized as Learning Industry Leader

Honored by Brandon Hall Group, Chief Learning Officer Magazine, TrainingIndustry.com, Digital Rochester and Aragon Research for outstanding learning solutions

NASHUA, N.H.--(BUSINESS WIRE)-- [Skillsoft](#) today announced that it has been recognized by several of the learning industry's leading publications and organizations as a top provider of learning solutions. The company has received awards from Brandon Hall Group, *Chief Learning Officer* magazine, *TrainingIndustry.com*, Digital Rochester and Aragon Research for outstanding learning solutions and customer programs. These awards reinforce Skillsoft's role as a pioneer in the learning field with a long history of innovation. Skillsoft provides cloud-based learning solutions for its customers worldwide, ranging from global enterprises, government, and education to mid-sized and small businesses.

"We are honored to be recognized by these prestigious organizations for our broad portfolio of solutions and success in enabling our customers to implement the industry's most innovative learning programs," said John Ambrose, senior vice president, strategy, corporate development and emerging business, Skillsoft.

Recognized for excellence in leadership development by Brandon Hall Group

Recognized for its partnership in establishing a culture of leadership development, Skillsoft and Ricoh won a coveted Brandon Hall Group bronze award for excellence in the Best Leadership Development Program category. Skillsoft was included in an elite group of winners in this prestigious awards program, which annually highlights the best companies that have successfully developed and deployed programs, strategies, modalities, processes, systems and tools that have helped companies achieve measurable results.
