EnviroStar, Inc. Update on Operations After Hurricane Irma

MIAMI--(BUSINESS WIRE)-- EnviroStar, Inc. (NYSE American: EVI) announced today that EVI's corporate office and the operations of its Miami, Florida based subsidiary, Steiner Atlantic Corp., were unaffected by the weather associated with Hurricane Irma and thanks to its dedicated employees, EVI and Steiner Atlantic have resumed normal and ordinary operations.

EVI's thoughts and prayers go out to all those affected by Hurricane Irma. While it is too early to assess the full impact of Hurricane Irma to its laundry customers across the affected areas in Florida, the Florida Keys, and the Caribbean, the team at Steiner Atlantic is prepared to handle all sales, service, and installation matters necessary to help all laundry customers return to normal operations as soon as possible.

About EnviroStar

EnviroStar, Inc. is a distributor of commercial, industrial, and vended laundry products and industrial boilers, including related parts and supplies. Through its subsidiaries, EVI sells its products and provides installation and maintenance services to thousands of customers across the United States, the Caribbean, and Latin America.

Forward-Looking Statements

Except for the historical matters contained herein, statements in this press release are forward-looking and are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are subject to a number of known and unknown risks and uncertainties that may cause actual results, trends, performance or achievements of EnviroStar, or industry trends and results, to differ from the future results, trends, performance or achievements expressed or implied by such forward-looking statements.
