EVI Industries to Attend Baird 2019 Global Industrial Conference from November 5-7, 2019

MIAMI--(BUSINESS WIRE)-- EVI Industries, Inc. (NYSE American: EVI) announced today that Henry M. Nahmad, Chairman and CEO, is scheduled to host one-on-one meetings with registered investors at the Baird Global Industrial Conference being held at the Four Seasons Hotel Chicago during the conference dates from November 5-7, 2019. For more information on the conference and to schedule a one-on-one meeting, please contact Baird Conferences at bairdconferences@rwbaird.com.

In March 2015, EVI implemented a buy-and-build strategy focused on long-term growth and shareholder value creation. In connection with its long-term growth strategy, during the last thirty-six months, EVI has acquired twelve commercial laundry distributors and service providers. In pursuit of the Company's long-term growth goals, EVI continues to thoughtfully execute its growth strategy, including: (1) the pursuit of acquisitions of quality and complementary businesses, (2) the pursuit of organic growth opportunities, and (3) investments in advanced technologies designed to improve efficiency and productivity.

About EVI Industries

EVI Industries, Inc., through its wholly owned subsidiaries, is a value-added distributor, and provides advisory and technical services. Through the Company's vast sales organization, it provides its customers planning, designing, and consulting services related to their commercial laundry operations. The Company sells and/or leases its customers commercial laundry equipment specializing in washing, drying, finishing, material handling, water heating, power generation, and water reuse applications. In support of the suite of products it offers, the Company sells related parts and accessories. Additionally, through the Company's robust network of commercial laundry technicians, the Company provides its customers installation, maintenance, and repair services. The Company's customers include retail, commercial, industrial, institutional, and government customers. Purchases made by customers range from parts and accessories, to single or multiple units of equipment, to large complex systems, as well as installation, maintenance and repair services.

Forward-Looking Statements

Except for the historical matters contained herein, statements in this press release are forward-looking and are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are subject to a number of known and unknown risks and uncertainties that may cause actual results, trends,

performance or achievements of EVI, or industry trends and results, to differ from the future results, trends, performance or achievements expressed or implied by such forward-looking statements. These risks and uncertainties include, among others, the risks related to EVI's business, results, financial condition, prospects, and growth strategy and plans, risks associated with EVI's buy-and-build growth strategy, including that EVI may not be successful in identifying or consummating acquisitions or other strategic opportunities where or when expected, or at all, that acquisition and other strategic opportunities may not be available to EVI to the extent anticipated or at all, that the potential benefits of transactions may not be realized to the extent anticipated or at all, integration risks, risks related to indebtedness incurred in connection with transactions, dilution experienced by EVI's stockholders as a result of shares issued in connection with transactions, risks related to the business, operations and prospects of acquired businesses, their ability to achieve growth and EVI's ability to support growth efforts, risks related to EVI's and its acquired businesses' relationships with principal suppliers and customers, including EVI's ability to expand or maintain such relationships, and the impact that the loss of any principal supplier or customer could have on EVI's results and financial condition, risks related to EVI's ability to successfully build its existing operations, risks relating to EVI's ability to identify growth opportunities in, successfully enter into, and compete effectively in, related industries as well as trends related to those industries and the timing of any such efforts, risks related to organic growth initiatives, risks that investments, initiatives and expenses may not result in the benefits anticipated, including long-term growth, and other economic, competitive, governmental, technological and other risks and factors, including those discussed in the Company's filings with the Securities and Exchange Commission, including, without limitation, the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2019. Many of these risks and factors are beyond EVI's control. In addition, past performance of EVI and its acquired businesses and perceived trends may not be indicative of future results. EVI cautions that the foregoing factors are not exclusive. The reader should not place undue reliance on any forward-looking statement, which speaks only as of the date made. EVI does not undertake to, and specifically disclaims any obligation to, update or supplement any forward-looking statement, whether as a result of changes in circumstances, new information, subsequent events or otherwise, except as may be required by law.
