## ShiftPixy Cautionary Statement

The information provided in this release includes forward-looking statements, the achievement or success of which involves risks, uncertainties, and assumptions. These forward-looking statements are made pursuant to the safe harbor provisions within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Although such forward-looking statements are based upon what management of the Company believes are reasonable assumptions, there can be no assurance that forward-looking statements will prove to be accurate. If any of the risks or uncertainties, including those set forth below, materialize or if any of the assumptions proves incorrect, the results of the Company, could differ materially from the results expressed or implied by the forward-looking statements we make. The risks and uncertainties include, but are not limited to, risks associated with the nature of the Company's business model; the Company's ability to execute its vision and growth strategy; the Company's ability to attract and retain clients; the Company's ability to assess and manage risks; changes in the law that affect the Company's business and its ability to respond to such changes and incorporate them into its business model, as necessary; the Company's ability to insure against and otherwise effectively manage risks that affect its business; risks arising from the COVID-19 pandemic or any other events that could cause wide-scale business disruptions; competition; reliance on third-party systems and software; the Company's ability to protect and maintain its intellectual property; and general developments in the economy and financial markets. These and other risks are

discussed in the Company's filings with the SEC, including, without limitation, its Annual Report on Form 10-K, filed on December 13, 2019, and its periodic reports on Form 10-Q and Form 8-K. Statements made in connection with any guidance may refer to financial statements that have not been reviewed or audited. The Company undertakes no obligation to update forward-looking statements if circumstances or management's estimates or opinions should change, except as required by applicable securities laws. The information in this press release shall not be deemed to be "filed" for the purpose of Section 18 of the Exchange Act, or otherwise subject to the liabilities of that section, and will not be deemed an admission as to the materiality of any information that is required to be disclosed solely by Regulation FD. Further information on these and other factors that could affect the financial results of the Company, is included in the filings we make with the SEC from time to time. These documents are available on the "SEC Filings" subsection of the "Investor Information" section of the Company's website at <https://ir.shiftpixy.com/financial-information/sec-filings>, or directly from the SEC's website at <https://www.sec.gov>.

Consistent with the SEC's April 2013 guidance on using social media outlets like Facebook and Twitter to make corporate disclosures and announce key information in compliance with Regulation FD, the Company is alerting investors and other members of the general public that the Company will provide updates on operations and progress required to be disclosed under Regulation FD through its social media on Facebook, Twitter, LinkedIn and YouTube.
