

Company Overview

Iterum Therapeutics plc is an Ireland-based clinical-stage pharmaceutical company dedicated to developing differentiated anti-infectives. These products are aimed at combating the global crisis of multi-drug resistant (MDR) pathogens to significantly improve the lives of people affected by serious and life-threatening diseases around the world. Iterum's first product is a novel anti-infective compound that has demonstrated potent in-vitro activity vs. a wide variety of gram-negative, gram-positive and anaerobic bacteria resistant to other antibiotics.
