Telkonet, Inc. to Webcast Company Presentation at RetailInvestorConferences.com on June 6, 2013

Company Invites Main Street and Wall Street Investors to Attend Interactive Real-Time Virtual Conference

NEW YORK, June 3, 2013 /PRNewswire/ -- Telkonet, Inc. (OTCQB: TKOI) today announced that Jason Tienor, CEO, will provide a company overview presentation at RetailInvestorConferences.com on June 6, 2013 at 12:15 pm ET.

This will be a live, interactive online event where investors are invited to ask the company questions in real-time - both in the presentation hall as well as the company's "virtual trade booth." If attendees are not able to join the event live on the day of the conference, an on-demand archive will be available for 90 days.

To attend the web-based conference, please click on the "Register" button at www.retailinvestorconferences.com. It is recommended that investors pre-register to save time and receive event updates.

About Telkonet
The Telkonet (OTCQB: TKOI) business model is made up of two synergistic business divisions, EcoSmart Energy Management and the EthoStream High Speed Internet Access (HSIA) Network.

EcoSmart is a leading US-based energy management technology provider offering hardware, software and services to commercial customers worldwide. Telkonet's EcoSmart Suite of products, which includes EcoInsight and EcoWave intelligent thermostats, the EcoView occupancy sensor, the EcoSwitch managed light switch and the EcoGuard energy management outlet, can be deployed in most building environments to cut utility costs and enable remote monitoring and control using the EcoCentral-VE virtual engineering platform. Telkonet's energy management products have the power to reduce energy consumption, minimize carbon footprints and help eliminate the need for the construction of new power plants. All products can be wirelessly networked to enhance energy efficiency and provide remote monitoring capability.

EthoStream is one of the largest public High-Speed Internet Access ("HSIA") providers in the world, providing services to more than 6 million users monthly across a network of greater than 2,350 locations. With a wide range of product and service offerings and one of the most comprehensive management platforms available for HSIA networks, EthoStream offers solutions for any public access location.
