Huntsman to Present at Credit Suisse Chemicals and Deutsche Bank Leverage Finance Conferences

THE WOODLANDS, Texas, Sept. 20 /PRNewswire-FirstCall/ -- Senior management of Huntsman Corporation (NYSE: HUN) will present at the 2007 Credit Suisse Chemicals Conference on September 27th at 12 noon ET and at the 2007 Deutsche Bank Leveraged Finance Conference on October 4th at 2:50 p.m. PT.

Live audio-only webcasting for the Credit Suisse conference will be available at the time of the event and will be accessible via links from the investor relations page of the Company's website at <http://www.huntsman.com>. A replay of the webcast will be available for 90 days following the presentation. The presentation materials for both conferences will be available from the investor relations presentations page of the Company's website.

Huntsman is a global manufacturer and marketer of differentiated chemicals. Its operating companies manufacture products for a variety of global industries, including chemicals, plastics, automotive, aviation, textiles, footwear, paints and coatings, construction, technology, agriculture, health care, detergent, personal care, furniture, appliances and packaging. Originally known for pioneering innovations in packaging and, later, for rapid and integrated growth in petrochemicals, Huntsman today has 13,000 employees and operates from multiple locations worldwide. Huntsman had 2006 revenues of over \$13 billion. For more information about Huntsman, please visit the Company's website at <http://www.huntsman.com>.

Statements in this release that are not historical are forward-looking statements. These statements are based on management's current beliefs and expectations. The forward-looking statements in this release are subject to uncertainty and changes in circumstances and involve risks and uncertainties that may affect the company's operations, markets, products, services, prices and other factors as discussed in the Huntsman companies' filings with the U.S. Securities and Exchange Commission. Significant risks and uncertainties may relate to, but are not limited to, financial, economic, competitive, environmental, political, legal, regulatory and technological factors. In addition, the completion of any transactions described in this release is subject to a number of uncertainties and closing will be subject to approvals and other customary conditions. Accordingly, there can be no assurance that such transactions will be completed or that the company's expectations will be realized. The company assumes no obligation to provide revisions to any forward-looking statements should circumstances change, except as otherwise required by applicable laws.
