Veritone, Inc. Prices Public Offering of Common Stock

COSTA MESA, Calif., June 21, 2018 (GLOBE NEWSWIRE) -- Veritone, Inc. (Nasdaq:VERI), a leading provider of cloud-based artificial intelligence analytics and cognitive solutions, today announced that it has priced its previously announced underwritten public offering consisting of 1,700,000 shares of its common stock, at a public offering price of \$18.00 per share. In addition, Veritone, Inc. has granted the underwriters for the offering a 30-day option to purchase up to an additional 255,000 shares of common stock offered in the public offering.

The offering is expected to close on June 25, 2018, subject to customary closing conditions. Gross proceeds to Veritone, Inc. from the offering will be \$30.6 million, before deducting the underwriting discounts and other offering expenses payable by Veritone, Inc., but excluding any exercise of the underwriters' option.

JMP Securities LLC and Roth Capital Partners are acting as book-running managers for the offering. Craig-Hallum Capital Group LLC, D.A. Davidson & Co. and Northland Securities, Inc. are acting as co-managers for the offering.

The public offering is being made pursuant to a registration statement on Form S-3 that was previously filed with the Securities and Exchange Commission (SEC) and was declared effective on June 13, 2018. A final prospectus supplement relating to the offering will be filed with the SEC and will be available on the SEC's website at www.sec.gov.
