# Ingram Micro Reaffirms Third-Quarter Guidance in Advance of Investor Conferences

SANTA ANA, Calif., Aug. 23 /PRNewswire-FirstCall/ -- Ingram Micro Inc. (NYSE: IM), the world's largest technology distributor, today reaffirmed guidance for the third quarter of 2007, which ends Sept. 29, 2007.

As originally reported on July 26, 2007, sales are expected to range from \$8.3 billion to \$8.5 billion, with net income ranging from \$67 million to \$71 million or \$0.38 to \$0.40 per diluted share based on 178 million weighted average shares outstanding and an effective tax rate of 27 percent.

"The third quarter is progressing as we expected," said Gregory M. Spierkel, chief executive officer, Ingram Micro Inc. "Demand is generally solid worldwide. Sales are expected to reach another quarterly record, with 11 to 13 percent growth versus the year-ago quarter, while our net income guidance reflects good operating leverage and success in execution."
