About the Gateway Conference

The 8th Annual Gateway Conference is an invite-only conference presented by [Gateway Investor Relations](#), a full-service financial communications firm. Gateway was created to bring together the most compelling companies with the nation's top institutional investors and analysts. This year's event features over 100 companies from a number of growth industries, including technology, business and financial services, consumer, digital media, clean technology and life sciences. The format has been designed to give attendees direct access to senior management via company presentations, Q&A sessions and one-on-one meetings. Follow the Gateway Conference on [Twitter](#) and join the conversation using the #GatewayIRConference hashtag. For more information, visit gatewayir.com/conference.

About Wayside Technology Group

Wayside Technology Group, Inc. (NASDAQ: WSTG) is an IT channel company providing innovative sales and distribution solutions to technology vendors, resellers and system integrators since 1982. Wayside operates Lifeboat Distribution, a value-added distributor for virtualization/cloud computing, security, application and network infrastructure, business continuity/disaster recovery, database infrastructure and management, application lifecycle management, science/engineering, and other technically sophisticated products. The company helps vendors recruit and build multinational solution provider networks, power their networks, and drive incremental sales revenues that complement existing sales channels. Lifeboat Distribution services thousands of solution providers, VARs, systems integrators, corporate resellers, and consultants worldwide, helping them power a rich opportunity stream and build profitable product and service businesses. The Company also offers specialty solutions to end user customers through its TechXtend business.
