Lifeboat to Distribute Aryaka's Fully Managed SD-WAN SmartServices Portfolio

Agreement will help Aryaka develop a strong partner community within their channel program

EATONTOWN, N.J., March 10, 2020 (GLOBE NEWSWIRE) -- Lifeboat Distribution, an international value-added distributor for virtualization, security, business continuity and emerging technologies, announced today a distribution agreement with Aryaka, a premier global provider of the industry's #1 managed SD-WAN service.

Aryaka solutions were designed for operational simplicity and a highly responsive infrastructure experience. Lifeboat will sell Aryaka's portfolio of managed SmartServices platform. With solutions considered best-in-class and a gold standard across the industry, Aryaka's WAN transformative solutions will be an invaluable cog for customer's digital transformation initiatives.

The addition of Aryaka to our product portfolio will allow us to provide new and incremental value to our VAR partners. "Aryaka's unparalleled user experience is a pleasant surprise within the industry. They offer a combination of the world's best global network, security, WAN optimization, and multi-cloud networking. Aryaka is a welcomed addition to our solutions inventory," added Dale Foster, Chief Executive Officer, Lifeboat Distribution.

"Aryaka is deeply committed to helping our partners increase revenue and boost profitability by scaling their Infrastructure, Cloud and NetSec Lines of Business. Aryaka's Managed SD-WAN as a Service provides partners a competitive advantage in the Channel and is backed with industry leading CSAT scores. We are convinced our new distribution partnership with Lifeboat will present new opportunities for Aryaka, as well for VAR's and MSP's in this segment of the market," said Karen Freitag, Chief Revenue Officer at Aryaka Networks.
