UiPath Announces 2024 AI25 Award Winners

Annual awards program recognizes the most innovative customer successes of AI and automation using UiPath

NEW YORK and LAS VEGAS--(BUSINESS WIRE)-- UiPath (NYSE: PATH), a leading [enterprise automation and AI](#) software company, today announced the winners of its [UiPath AI25 Awards](#) program. The annual program recognizes the 25 most innovative UiPath customers using AI and automation as a strategic change enabler to accelerate bigger and bolder business outcomes. The 25 winning organizations were honored on-stage at [UiPath FORWARD](#), UiPath's annual gathering of global AI and automation experts and practitioners.

The UiPath AI25 Awards acknowledge customers using AI and automation to supercharge productivity; transform customer and employee experiences; deliver substantial return on investment; and support exceptional business results. Customers worldwide submitted applications detailing how they have used AI and automation to redefine what's possible—not just in business, but in the ways we work and live.

The 25 winners were selected by a panel of expert judges for effectively articulating the business drivers, implementation, and results of their AI and automation journey with UiPath.
