Codexis Announces Expansion to New Facility to Accommodate Next Stage of Growth

REDWOOD CITY, Calif., Feb. 09, 2021 (GLOBE NEWSWIRE) -- Codexis, Inc. (Nasdaq:CDXS), a leading enzyme engineering company, announced today it will be expanding its operations into a new 36,000 square foot facility in San Carlos, CA under a ten year lease. This facility will provide space for additional research and development laboratories and related office space.

“We are investing in this expansion of our operations to enable further growth in our discovery and R&D capacity,” said John Nicols, President and CEO of Codexis. “Codexis has grown dramatically over the past few years as we established ourselves in the life sciences tools and biotherapeutics markets and further expanded our sustainable manufacturing business. We anticipate these trends will continue accelerating, with new partnerships in these verticals, as well as self-funded clinical development programs. We look forward to maximizing these opportunities in our new facility.”

The brand-new facility is expected to be ready for occupancy in the fourth quarter of 2021 and to accommodate approximately 90 employees. The Company will continue to operate in its existing headquarters and R&D laboratories in Redwood City, CA.
