Prologis Leases 346,000 Square Feet in Brazil Development

SAN FRANCISCO, Dec. 15, 2014 /PRNewswire/ -- Prologis, Inc. (NYSE: PLD), the global leader in industrial real estate, today announced two new lease agreements at Prologis CCP Cajamar II in São Paulo totaling 346,000 square feet (32,200 square meters).

The leasing activity includes:

- Building 300: 240,000 square feet (22,300 square meters) with a leading international food company; and
- Building 400: 106,000 square feet (9,900 square meters) with repeat logistics customer Biblion Logistica. This lease increases the company's presence at the park to 275,000 square feet (25,500 square meters).

The park is adjacent to the Anhanguera Highway and provides direct access to central São Paulo. At full build-out, the park is expected to total nearly 2.9 million square feet (267,000 square meters).

"We continue to see excellent leasing momentum in the Cajamar submarket as it has become the premier distribution hub for the greater São Paulo area," said Luis Gutierrez, president, Prologis Latin America.

Prologis CCP Cajamar II was developed and is operated by Prologis CCP, a joint venture between Prologis and Cyrela Commercial Properties (CCP).

ABOUT PROLOGIS

Prologis, Inc., is the global leader in industrial real estate. As of September 30, 2014, Prologis owned or had investments in, on a wholly owned basis or through co-investment ventures, properties and development projects expected to total approximately 585 million

square feet (54 million square meters) in 21 countries. The company leases modern distribution facilities to more than 4,700 customers, including manufacturers, retailers, transportation companies and third-party logistics providers.

FORWARD-LOOKING STATEMENTS

The statements in this document that are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on current expectations, estimates and projections about the industry and markets in which Prologis operates, management's beliefs and assumptions made by management. Such statements involve uncertainties that could significantly impact Prologis' financial results. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates," variations of such words and similar expressions are intended to identify such forward-looking statements, which generally are not historical in nature. All statements that address operating performance, events or developments that we expect or anticipate will occur in the future — including statements relating to rent and occupancy growth, development activity and changes in sales or contribution volume of properties, disposition activity, general conditions in the geographic areas where we operate, our debt and financial position, our ability to form new co-investment ventures and the availability of capital in existing or new co-investment ventures — are forward-looking statements. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict. Although we believe the expectations reflected in any forward-looking statements are based on reasonable assumptions, we can give no assurance that our expectations will be attained and therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. Some of the factors that may affect outcomes and results include, but are not limited to: (i) national, international, regional and local economic climates, (ii) changes in financial markets, interest rates and foreign currency exchange rates, (iii) increased or unanticipated competition for our properties, (iv) risks associated with acquisitions, dispositions and development of properties, (v) maintenance of real estate investment trust ("REIT") status and tax structuring, (vi) availability of financing and capital, the levels of debt that we maintain and our credit ratings, (vii) risks related to our investments in our co-investment ventures and funds, including our ability to establish new co-investment ventures and funds, (viii) risks of doing business internationally, including currency risks, (ix) environmental uncertainties, including risks of natural disasters, and (x) those additional factors discussed in reports filed with the Securities and Exchange Commission by Prologis under the heading "Risk Factors." Prologis undertakes no duty to update any forward-looking statements appearing in this document.
