Midwest Energy Emissions Corp. to Host Shareholder Update Call on January 27, 2021

Company to Provide Update on Initial Success of Litigation Strategy with Four Major Entities

CORSICANA, TX, Jan. 20, 2021 (GLOBE NEWSWIRE) -- Midwest Energy Emissions Corp. (OTCQB: MEEC) ("ME₂C" or the "Company"), a leading environmental technologies firm, today announced management has scheduled a shareholder update call at 11:30 AM ET on Wednesday, January 27, 2021.

Richard MacPherson, President and CEO of ME₂C, will provide an overview of the business model as well as an update on the initial successes of the patent litigation strategy and go-forward initiatives. The shareholder call will be accompanied by a presentation and followed by a question-and-answer session, which can be accessed via the webcast link or dial-in numbers below.

To access the shareholder call, please use the following information:

Date: Wednesday, January 27, 2021
Time: 11:30 AM Eastern time (8:30 AM Pacific time)
Dial-in: 1-866-548-4713
International Dial-in: 1-323-794-2093
Conference Code: 8749633
Webcast: <http://public.viavid.com/index.php?id=143170>

A telephone replay will be available approximately two hours after the call and will run through February 27, 2021 by dialing 1-844-512-2921 from the U.S., or 1-412-317-6671 from international locations, and entering replay pin number: 8749633. The replay can also be viewed through the webinar webcast link above.

About Midwest Energy Emissions Corp. (ME₂C®)

Midwest Energy Emissions Corp. (OTCQB: MEEC) is a leading environmental technologies company delivering patented and proprietary solutions to the global power industry. ME₂C's leading-edge services have been shown to achieve emissions removal at a significantly lower cost and with less operational impact than currently used methods, while maintaining and/or increasing power plant output and preserving the marketability of byproducts for beneficial use. Safe Harbor Statement

With the exception of historical information contained in this press release, content herein may contain "forward-looking statements" that are made pursuant to the Safe Harbor Provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are generally identified by using words such as "anticipate," "believe," "plan," "expect," "intend," "will," and similar expressions, but these words are not the exclusive means of identifying forward-looking statements. These statements are based on management's current expectations and are subject to uncertainty and changes in circumstances. Investors are cautioned that forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from the statements made. Matters that may cause actual results to differ materially from those in the forward-looking statements include, among other factors, the gain or loss of a major customer, change in environmental regulations, disruption in supply of materials, capacity factor fluctuations of power plant operations and power demands, a significant change in general economic conditions in any of the regions where our customer utilities might experience significant changes in electric demand, a significant disruption in the supply of coal to our customer units, the loss of key management personnel, availability of capital and any major litigation regarding ME2C. In addition, this release contains time-sensitive information that reflects management's best analysis only as of the date of this release. ME2C does not undertake any obligation to publicly update or revise any forward-looking statements to reflect future events, information or circumstances that arise after the date of this release. Further information concerning issues that could materially affect financial performance related to forward-looking statements contained in this release can be found in ME2C's periodic filings with the Securities and Exchange Commission.
