

Executive Biography

Terry Fedor Executive Vice President, Operations

As Executive Vice President, Operations, Mr. Fedor has executive oversight for Cleveland-Cliffs' steelmaking operations and the Direct Reduction Plant. Previously, he had leadership oversight for the Cleveland-Cliffs' mining and pelletizing operations, as well as transportation and logistics functions, supply chain and asset management.

Mr. Fedor has over 35 years of experience in industrial operations. Prior to joining Cleveland-Cliffs, he served as Vice President and General Manager – Cleveland at former ArcelorMittal USA with responsibility for Warren, Weirton and Monessen steel operations.

Mr. Fedor earned a bachelor's degree in mechanical engineering from the University of Akron in Akron, Ohio and a master's degree in business administration from John Carroll University in Cleveland, Ohio. He is a Registered Professional Engineer with the state of Ohio – and previously served as a President of the Board of Directors for the Association for Iron & Steel Technology.
