Brake joins Cliffs having served as executive vice president, operations for Mittal Steel USA, with full operating responsibility for all of Mittal's domestic steel operations. He began his career with LTV Steel, and following the acquisition by the International Steel Group, was responsible for the initial re-start of its Cleveland facilities.

Cleveland-Cliffs President and Chief Executive Officer Joseph A. Carrabba commented, "Bill is a highly respected leader whose extensive steel-industry expertise complements the talents of Cliffs' existing leadership team. We look forward to his contribution as we continue to grow our organization."

Brake is a member of the Association of Iron and Steel Engineers, and formerly was co-chair of the Ohio Steel Industry Advisory Council. He holds a B.S. in Electrical Engineering and an MBA, both from Case Western Reserve University.
