

Cleveland-Cliffs Announces Offer for Outstanding Shares in Portman

CLEVELAND--(BUSINESS WIRE)--

Cleveland-Cliffs Inc (NYSE:CLF), the international mining company that will be renamed Cliffs Natural Resources in the coming months, announced today that it intends, through its wholly owned subsidiary Cliffs Asia-Pacific Pty Limited ("Cliffs"), to make an off-market takeover offer for all of the shares in Portman Limited (ASX: PMM) that it does not already own. The Offer is a last and final cash offer at a price of A\$21.50 per Portman Share.

Cliffs already holds approximately 85.19% of the shares in Portman.

The Offer has the unanimous support of the independent directors of Portman and, in the absence of a superior offer and subject to an independent expert to be commissioned by Portman concluding that the Offer is fair and reasonable, the independent directors of Portman will recommend that Portman shareholders accept the Offer.

THE OFFER FROM CLIFFS

The Offer price of A\$21.50 cash per Portman Share is Cliffs' final price and will not be increased during the Offer Period.

The Offer reflects a premium of approximately 21.5% to the closing price of Portman Shares on ASX on Sept. 10, 2008, and is subject to a number of conditions as set out in the Annexure.

Commenting today, Joseph A. Carrabba, chairman, president and chief executive officer of Cleveland-Cliffs, said: "For Cleveland-Cliffs shareholders, this transaction is designed to enable Cleveland-Cliffs to move to full ownership of Portman. I believe that this final cash offer represents outstanding value for Portman shareholders and provides an excellent opportunity for shareholders to realize value from their investment in Portman."

He continued: "The offer provides a straightforward cash exit for Portman shareholders and accepting shareholders will not incur brokerage or stamp duty charges.

"There is no higher offer. Given that Cliffs already owns 85.19% of the issued and outstanding Portman shares, I believe the likelihood of another bidder emerging is extremely remote. In the event that our offer does not succeed, there is a risk that Portman's share price may fall significantly," Carrabba concluded.

Cliffs is being advised by Wilson HTM Corporate Finance and Mallesons Stephen Jaques.
