The Company intends to use the net proceeds from the refinancing for general corporate purposes. There can be no assurance that the refinancing will be consummated or as to the terms thereof.

The Exchange Offers are also conditioned on the satisfaction or waiver of certain customary additional conditions, as described in the offering memorandum and related letter of transmittal. The Exchange Offers are not conditioned upon any minimum amount of Existing Notes being tendered. The Exchange Offers for the Existing Notes may be amended, extended or terminated, in each case either as a whole, or independently with respect to any one or more particular series of Existing Notes.
