Cleveland-Cliffs Inc. Announces Proposed Offerings of \$550,000,000 Senior Secured Guaranteed Notes due 2028 and \$400,000,000 Senior Unsecured Guaranteed Notes due 2028

CLEVELAND--(BUSINESS WIRE)-- Cleveland-Cliffs Inc. (NYSE: CLF) ("Cliffs") today announced that it intends to offer to sell, subject to market and other conditions, \$550 million aggregate principal amount of Senior Secured Notes due 2028 (the "Secured Notes") and \$400 million aggregate principal amount of Senior Notes due 2028 (the "Unsecured Notes" and, together with the Secured Notes, the "Notes") in separate offerings (the "Notes Offerings") that are exempt from the registration requirements of the Securities Act of 1933 (the "Securities Act").

The Unsecured Notes will be guaranteed on a senior unsecured basis by Cliffs' material wholly owned domestic subsidiaries (other than excluded subsidiaries) and, following the closing of the Merger (as defined below), will be guaranteed on a senior unsecured basis by AK Steel Holding Corporation ("AK Holding") and its material wholly owned subsidiaries (other than excluded subsidiaries). The Secured Notes will be, following the closing of the Merger, guaranteed on a senior secured basis by Cliffs' material wholly owned domestic subsidiaries, including AK Holding and its material wholly owned subsidiaries (subject in each case to certain exceptions and permitted liens), and secured by (i) a first-priority lien on substantially all of Cliffs' assets and the assets of the guarantors (other than accounts receivable and other rights to payment, inventory, as-extracted collateral, investment property, certain general intangibles and commercial tort claims, certain mobile equipment, commodities accounts, deposit accounts, securities accounts and other related assets and proceeds and products of each of the foregoing (collectively, the "ABL Collateral")), and (ii) a second-priority lien on the ABL Collateral, which is junior to a first-priority lien for the benefit of the lenders under Cliffs senior secured asset-based credit facility.

We expect that the Notes Offerings will be consummated prior to the consummation of the previously announced merger (the "Merger") with AK Holding. As a result, the gross proceeds are expected to be deposited into an escrow account until the consummation of the Merger. In addition, the Notes will be subject to a "special mandatory redemption" in the event that (i) the Merger is not consummated on or prior to June 30, 2020 or (ii) if on or prior to June 30, 2020, the Merger Agreement (as defined below) has been terminated and is not otherwise amended or replaced. If a special mandatory redemption event occurs, Cliffs will redeem the Notes at the "special mandatory redemption price" equal to the issue price of the Notes plus the accrued yield (as defined in the Secured Notes and Unsecured Notes) and accrued and unpaid interest, if any, to, but excluding, the redemption date.

The Secured Notes offering and the Unsecured Notes offering are not contingent upon one

another.

Cliffs intends to use the net proceeds from the Notes Offerings to repurchase, in the previously announced tender offers ("Tender Offers") for any and all outstanding 7.625% senior notes due 2021 (the "AK Steel 2021 Notes") and 7.50% Senior Secured Notes due 2023 (the "AK Steel 2023 Notes") issued by AK Steel Corporation, all AK Steel 2021 Notes and AK Steel 2023 Notes that are validly tendered and not validly withdrawn. To the extent any AK Steel 2021 Notes and AK Steel 2023 Notes remain outstanding after expiration of the Tender Offers, Cliffs intends to use the net proceeds from the Notes Offerings to redeem any and all such outstanding AK Steel 2021 Notes and AK Steel 2023 Notes, although it has no legal obligation to do so and the selection of any particular redemption date (subject to the requirements of the respective indentures governing such notes, as may be modified by the consent solicitations being conducted concurrently with the Tender Offers) is in its discretion. Cliffs also intends to use any remaining net proceeds from the Notes Offerings to pay for fees and expenses in connection with the Merger and the Notes Offerings, and for general corporate purposes.

This news release does not constitute an offer to sell or the solicitation of an offer to buy any securities. The Notes and related guarantees are being offered only to qualified institutional buyers in reliance on the exemption from registration set forth in Rule 144A under the Securities Act, and outside the United States, to non-U.S. persons in reliance on the exemption from registration set forth in Regulation S under the Securities Act. The Notes and the related guarantees have not been registered under the Securities Act, or the securities laws of any state or other jurisdiction, and may not be offered or sold in the United States without registration or an applicable exemption from the Securities Act and applicable state securities or blue sky laws and foreign securities laws.
