Helios Technologies, Electronics Segment names Billy Aldridge as Senior Vice President, Managing Director

“We believe the realignment within our Electronics Segment will

enhance customer engagement, sharpen the focus on our new go-to-market strategy and streamline day-to-day operations. As a result, the Electronics Segment is well positioned to drive our strategic initiatives and intensify attention on our 2025 objectives,” said Sean Bagan, President, Chief Executive Officer, and Chief Financial Officer of Helios. “Billy has demonstrated strong leadership, deep customer relationships, and excellent operational knowledge. I have great confidence in his ability to take the Electronics Segment to the next level.”

Mr. Aldridge has served as the Senior Vice President, Managing Director of Enovation Controls since May 3, 2021, and will now have responsibility for the complete group of operations that comprise the Electronics segment. He joined FW Murphy, a division of Enovation Controls, in 2008 as the OEM Sales Manager where he grew the marine market prior to stepping into a Director position in 2015 and then in 2018 moving to the Vice President of Business Development. Mr. Aldridge joined MerCruiser/Mercury, part of the Brunswick Corporation in 2000, where he earned his Lean Six Sigma and worked in many different functional areas including Supply Chain, Program Management & OEM Sales. He has a bachelor’s degree in Sociology from Oklahoma State University.
