Wyndham's New Campaign Offers Tongue-in-Cheek Take on Holiday Travel

For a limited time, stay two nights and earn 7,500 Wyndham Rewards points, enough for a free night at thousands of Hotels by Wyndham

PARSIPPANY, N.J., Dec. 11, 2024 /PRNewswire/ -- This holiday season, Wyndham Hotels & Resorts is sending a Public Service Announcement to travelers coast-to-coast: stay close to your loved ones without actually staying *with* them. It's all part of the Company's humorous, new ad campaign, dubbed "Stay Close," which is now live across social, digital, email and brand.com in the U.S. and Canada.

Created in partnership with Havas New York and produced by Annex 88, Stay Close delivers a comedic spin on the universal truths of travel while poking fun at the common pitfalls of holiday family gatherings. Whether its escaping "aunt-arazzi" – the aspiring midlife influencer; Cousin Carl's relentless investment pitches; or simply avoiding that dreaded pull-out couch; staying at a Hotel by Wyndham means happily embracing the chance to connect while knowing each night you can escape to a personal retreat.

"The holidays can be a magical time with family and friends, but let's face it, a little personal space and a real bed go a long way. No matter where your travels may take you across the U.S. this holiday season, chances are there's a Hotel by Wyndham just 10 minutes away."

– Marissa Yoss, VP Media and Brand Marketing, Wyndham Hotels & Resorts

Wyndham's holiday campaign will launch with a comprehensive omnichannel strategy running through the end of the year, featuring 6- and 15-second ads on digital video and connected TV on YouTube, along with social media and email, reaching travelers with the all-too-relatable moments of holiday travel.

Whether opting for a comfortable hotel stay over Grandma's pullout couch or simply seeking extra comfort while staying *just* close enough to family, holiday travelers can earn 7,500 bonus Wyndham Rewards points—enough for a free stay at thousands of Hotels by Wyndham—when they stay two nights, now through January 20, 2025. Nights do not need to be consecutive and Wyndham Rewards members may take advantage of the promotion two times for a total of 15,000 bonus points. Terms and conditions apply.
