# Columbia Care Brings its Most Popular Brands, Seed & Strain and Classix, to Colorado

*National Brand Footprint Increases as Seed & Strain and Classix Arrive in Colorado, a +\$2 Billion Market*

NEW YORK--(BUSINESS WIRE)-- [Columbia Care Inc.](#) (NEO: CCHW) (CSE: CCHW) (OTCQX: CCHWF) (FSE: 3LP) ("Columbia Care" or the "Company"), one of the largest and most experienced cultivators, manufacturers and providers of cannabis products in the U.S., announced today it has introduced two of its flower brands, Seed & Strain and Classix, to the Colorado market. The brands are now available across 20 The Green Solution (TGS) dispensaries and will be available to wholesale partners in the coming months.

Now in its 13<sup>th</sup> market, Classix is available at all TGS locations in 3.5g flower options with 14g flower and 5-pack pre-roll tins to follow. Classix offers a wide variety of strains, including Bubba Kush, Maui Wowie and Blueberry Headband. Seed & Strain launched in Colorado, its 12<sup>th</sup> market, on Earth Day with compostable 1g pre-roll tube packaging. Starting today, 3.5g, 7g and 14g flower options are now also available for TGS customers in a number of strains, including Cindy White, Glass Slipper and Velo, with more strains to be added in the coming months.

"Coloradoans have come to expect the highest quality and most approachable products, and that's exactly what Seed & Strain and Classix offer," said BJ Carretta, SVP of Brand Marketing, Columbia Care. "With the introduction of these brands, we've not only reset and improved our flower offering to the market, but we've created a solid brand architecture that offers consistency and variety to customers and partners. In similar adult use markets like Illinois, we've seen nearly 90% penetration in dispensaries with brands like Seed & Strain and we look forward to bringing that level of wholesale success to Colorado."

## **About Columbia Care**

Columbia Care is one of the largest and most experienced cultivators, manufacturers and providers of cannabis products and related services, with licenses in 18 U.S. jurisdictions and the EU. Columbia Care operates 131 facilities including 99 dispensaries and 32 cultivation and manufacturing facilities, including those under development. Columbia Care is one of the original multi-state providers of medical cannabis in the U.S. and now delivers industry-leading products and services to both the medical and adult-use markets. In 2021, the company launched Cannabist, its new retail brand, creating a national dispensary network that leverages proprietary technology platforms. The company offers products spanning flower, edibles, oils and tablets, and manufactures popular brands including Seed & Strain, Triple Seven, gLeaf, Classix, Press, Amber and Platinum Label CBD. ### **Caution Concerning Forward-Looking Statements**

This press release contains certain statements that constitute “forward-looking information” or “forward-looking statements” within the meaning of applicable securities laws and reflect the Company’s current expectations regarding future events. Forward-looking statements or information contained in this release include, but are not limited to, statements or information with respect to the Company’s ability to execute on retail, wholesale, brand and product initiatives in Colorado. These forward-looking statements or information, which although considered reasonable by the Company, may prove to be incorrect and are subject to known and unknown risks and uncertainties that may cause actual results, performance or achievements of the Company to be materially different from those expressed or implied by any forward-looking information. These risks, uncertainties and other factors include, among others, favorable operating and economic conditions; obtaining and maintaining all required licenses and permits; favorable production levels and sustainable costs from the Company’s operations; and the level of demand for cannabis products, including the Company’s products sold by third parties. In addition, securityholders should review the risk factors discussed under “Risk Factors” in Columbia Care’s Form 10-K dated March 31, 2022, filed with U.S. Securities and Exchange Commission and with the applicable Canadian securities regulatory authorities on SEDAR at [www.sedar.com](http://www.sedar.com) and as otherwise described from time to time in documents filed by the Company with Canadian and U.S. securities regulatory authorities.
