Brunswick Corporation : Brunswick Awards Scholarships to the Children of Dealership Employees

METTAWA, Ill., Sept. 27, 2017 - Brunswick Corporation's (NYSE: BC) dealer services team, Brunswick Dealer Advantage, and the Brunswick Foundation, recently announced the winners of the 2017 Brunswick Foundation Sons and Daughters Scholarship program. A one-year, \$2,000 college scholarship was awarded to each of 28 deserving students of Brunswick dealer families in both the U.S. and Canada.

"Brunswick Corporation remains committed to providing the best dealer support services in the industry, and we are pleased to award these scholarships for the tenth consecutive year," said Kirsten Schuchardt, program manager for Brunswick Dealer Advantage (BDA). "The Brunswick Foundation Dealer Sons and Daughters Scholarship program continues to allow us to help our dealers, their employees and their families in a very special way. We congratulate all of the winners for their hard work and wish them the best of luck for the upcoming school year."

For the past decade, the Brunswick Foundation Dealer Sons and Daughters Scholarship Program has recognized students for their academic excellence, leadership capabilities and community involvement during the past school year. This year's scholarship recipients were chosen by an independent committee of academic professionals from leading Midwestern universities.

"I am extremely honored and thankful to receive this scholarship from Brunswick," said scholarship winner Mia Emberson, whose father Mike Emberson, is the owner of Zacho Sports Center in Chippewa Falls, Wis. "It will help offset the cost of my education at the University of Minnesota, and allow me to focus on my goal of treating others in the healthcare field. Thank you, to the Brunswick Foundation for helping me follow my dreams."

Since its inception, the Brunswick Dealer Advantage and the Brunswick Foundation have provided more than \$600,000 to support the higher education of more than 300 students from Brunswick dealerships in the United States and Canada.

"We are so very grateful to Brunswick for awarding our son, Brian, with a scholarship," said Bart Hiltabidle, sales manager at Chesapeake Whalertowne in Annapolis, Md., and father of scholarship winner Brian Hiltabidle. "He was an AP Scholar student and athlete in high school, and will be a freshman engineering student this year at North Carolina State University, so this is a nice acknowledgement of his achievements."

The Brunswick dealer scholarship program is a key part of Brunswick Dealer Advantage, which is celebrating its tenth anniversary this fall. BDA consists of a suite of leading dealer services in the U.S. and Canada that are designed to help dealers draw more customers, attract and retain employees and improve operational efficiencies.
