Digital Turbine to Host Virtual Analyst Day on November 11, 2021

AUSTIN, Texas, Oct. 26, 2021 /PRNewswire/ -- [Digital Turbine, Inc.](#) (Nasdaq: APPS), a global mobile platform company, announced it will host a Virtual Analyst Day on Thursday, November 11, via live video stream. Senior members of Digital Turbine's management team will deliver a series of presentations detailing the Company's vision, market opportunities, growth strategies, product innovation, and financial objectives. The presentation program will also feature product demonstrations showcasing the Company's various new product initiatives, as well as an informative discussion panel involving our partners and customers.

The Digital Turbine Analyst Day presentations will begin at noon ET and the event is expected to conclude by approximately 2:30pm ET. To participate in the live virtual event, interested parties should [click here to register](#). For those unable to attend the live stream event, a replay of the presentations and the Analyst Day presentation slides will be made available on the Investor Relations section of the Company's website at <https://ir.digitalturbine.com/news-events/events>.
