

Phunware Recognized as Best Mobile-Driven Enterprise Cloud Platform for 2020

AUSTIN, Texas--(BUSINESS WIRE)-- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the “Company”), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, announced today that it has been recognized with the *Best Mobile-Driven Enterprise Cloud Platform* award by [Corporate Vision Magazine](#) for 2020. As an [AI Global Media](#) property, *Corporate Vision Magazine* receives an average of 50,000 page views online and is distributed digitally to more than 155,000 business leaders, executives and key decision makers worldwide.

“We invested more than \$100 million dollars and eleven years to build category-defining mobile infrastructure for cloud-based, mobile-first, enterprise application deployments,” said [Luan D. Dang](#), CTO and Co-Founder of Phunware. “We are extremely thrilled to be recognized again for our unique ability to deliver on the promise of digital transformation, while offering enterprises a clear competitive advantage when it comes to engaging, managing and monetizing their mobile audiences and communities at scale globally.”

Phunware’s [Multiscreen-as-a-Service \(MaaS\)](#) platform enables enterprises to easily standardize and scale their mobile needs by providing all of the [features and capabilities](#) needed to establish a strong mobile presence. All of Phunware’s [products](#) come pre-integrated with Phunware’s award-winning MaaS software, including [Location Based Services \(LBS\)](#), [Mobile Engagement](#), [Analytics](#) and [Content Management](#). Enterprises can also take advantage of [industry-specific solutions](#) that have been optimized on MaaS, including [Smart Workplaces](#) for corporations, [Smart Campuses](#) for higher education, [Smart Cities](#) for government and [Digital Front Doors](#) for healthcare.

[Click here](#) to learn more about how Phunware can help enterprises more efficiently develop, maintain and evolve unique mobile application portfolios that drive engagement by licensing MaaS.

Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us.

Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
