Phunware to Attend the Consumer Electronics Show from January 5-8, 2022

AUSTIN, Texas, Oct. 14, 2021 (GLOBE NEWSWIRE) -- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (“Phunware” or “the Company”) a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, will attend the annual [Consumer Electronics Show 2022](#) (“CES”), which is being held virtually and in-person at Las Vegas, Nevada from January 5-8, 2022.

Hosted by the [Consumer Technology Association](#) (“CTA”), CES gives a global audience access to major brands and startups, as well as the industry's most influential leaders and advocates. Over 1,100 companies from across the globe will showcase the latest in digital health, food tech, automotive tech, NFTs, gaming, smart home and more.

“As industries evolve, companies must embrace digital transformation to stay competitive in a mobile-first world,” said Jeff Friedman, Phunware Vice President of Sales. “We’re excited to meet with innovators and thought leaders at CES to showcase how Phunware’s MaaS platform can enable contextual engagement through a mobile application portfolio that is designed to delight their customers and drive profitable behavior.”

Phunware’s sales team will be attending and demonstrating its technology to prospective customers and partners. To learn more about participation opportunities, sales demos, and to potentially meet with the Company’s [executives](#), please [contact](#) Phunware’s sales team.

About CES 2022 Conference
