

## Company Overview

Ameresco, Inc. (NYSE:AMRC) is a leading independent provider of comprehensive energy services, including energy efficiency, infrastructure upgrades, energy security and resilience, asset sustainability and renewable energy solutions for businesses and organizations throughout North America and Europe. Ameresco's sustainability services include capital and operational upgrades to a facility's energy infrastructure and the development, construction, ownership and operation of renewable energy plants.

Ameresco has successfully completed energy saving, environmentally responsible projects with Federal, state and local governments, healthcare and educational institutions, housing authorities, and commercial and industrial customers.

With its corporate headquarters in Framingham, MA, Ameresco has more than 1,000 employees providing local expertise in 70 offices throughout the United States, Canada, and the United Kingdom.
