CORPORATE GOVERNANCE GUIDELINES

1. PURPOSE

The Board of Directors of Old Dominion Freight Line, Inc. (the “Company”) has adopted the following guidelines to help the Board of Directors provide effective governance of the Company’s business affairs and represent the ongoing interests of the Company and its shareholders by effectively monitoring the performance of management and providing advisory assistance as needed. These guidelines provide the Board of Directors with direction in selecting its directors, conducting meetings and carrying out its responsibilities in order to fulfill its fiduciary responsibilities to the Company and the Company’s shareholders.

2. BOARD MEMBERSHIP

A. The Governance and Nomination Committee considers potential director nominees submitted by directors, as well as self-nominations by directors, and, from time to time, it may consider candidates submitted by a third-party search firm hired for the purpose of identifying director candidates. The Governance and Nomination Committee will also consider qualified director nominees recommended by shareholders when such recommendations are submitted in a timely manner and otherwise in accordance with the Company’s bylaws and these Guidelines. To the extent required by the proxy access provisions of the Company’s bylaws, the Company will include as director nominees in the Company’s proxy statement for any annual meeting of shareholders director candidates properly nominated by eligible shareholders. Separate and distinct from the proxy access provisions of the Company’s bylaws, shareholders may submit in writing the names and qualifications of potential director nominees to the Secretary of the Company (500 Old Dominion Way, Thomasville, North Carolina 27360) for delivery to the Chair of the Governance and Nomination Committee for consideration. When submitting a nomination to the Governance and Nomination Committee for consideration, a shareholder must at a minimum provide the following information with respect to each director nominee:

2. Principal occupation or employment;
3. Class and number of shares of stock of the Company which are beneficially owned;
4. All information relating to such person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors in a contested election pursuant to Section 14 of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (including such person’s written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and

5. A description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among such shareholder and its respective affiliates and associates, or others acting in concert therewith, on the one hand, and the nominee, and his or her respective affiliates and associates, or others acting in concert therewith, on the other hand, including without limitation all information that would be required to be disclosed pursuant to Item 404 promulgated under Regulation S-K if the shareholder making the nomination, or any affiliate or associate thereof or person acting in concert therewith, were the “registrant” for purposes of such rule and the nominee were a director or executive officer of such registrant.

In addition, if the Governance and Nomination Committee receives a director nomination from a shareholder or group of shareholders who have beneficially owned, individually or in the aggregate, more than 5% of the Company’s outstanding common stock for at least one year prior to the date of nomination, the Company will identify the nominee and the shareholder(s) recommending such nominee and will disclose in the Company’s proxy statement whether the Governance and Nomination Committee chose to nominate such candidate, as well as certain other information required by Securities and Exchange Commission rules and regulations.

- K. Independent directors shall not receive compensation from the Company outside of the Company's non-employee director compensation program, as amended from time to time. The Company and the Board of Directors seeks to attract exceptional talent to the Board of Directors and, as such, believes that directors should receive appropriate and competitive compensation for service on the Board of Directors and its committees. - L. A director who also serves the Company as an employee shall not receive compensation for service as a director.
- M. The Board of Directors shall establish an Audit Committee, Governance and Nomination Committee, Compensation Committee and, if deemed appropriate by the Board of Directors, an Executive Committee. Only independent directors shall serve on all but the Executive Committee.

- O. Directors are expected to ensure that other commitments do not materially interfere with their attendance at meetings or their ability to fulfill their responsibilities as members of the Board of Directors. Directors are also expected to advise the Chairman of the Board of Directors and the Chair of the Governance and Nomination Committee prior to accepting an invitation to serve on another public company board. Any such service must comply with the conflict of interest provisions of the Company's Code of Business Conduct. Directors may not serve on more than three public company boards (including the Company's Board of Directors); provided, however, that a director who serves as an executive officer of a public company may not serve on more than two public company boards (including the Company's Board of Directors).

- H. Independent directors shall meet at least twice each fiscal year in executive session without the presence of directors who are employees of the Company or otherwise not deemed to be independent in accordance with Nasdaq listing standards.

4. DIRECTOR RESPONSIBILITIES

- A. The Board of Directors, through direct involvement or by assigning tasks to one or more of its committees, shall monitor and oversee the Company's accounting, finance, risk management and management practices to help ensure the Company's and shareholders' best interests are met.
- B. The Board of Directors shall periodically review and evaluate management's short-term and long-term strategic and operational plans to help ensure the Company's continued success.

- D. Independent directors shall not be expected to communicate or represent the Company to the media regarding Company business, with this responsibility being that of management.
- E. The Board of Directors shall preserve the confidentiality of Company-related information received while fulfilling their duties as a director of the Company.
- F. The Board of Directors believes that ongoing director education is important to maintaining an effective board of directors. Accordingly, the Board of Directors encourages each director to participate in education programs, including, from time to time, more formal director education programs as may be necessary to enable him or her to better fulfill his or her duties.
- G. The Governance and Nomination Committee, in conjunction with the Company's Chief Executive Officer, shall be responsible for establishing and conducting orientation programs for new directors.
- H. The Board of Directors, and each committee, shall have the power to hire and consult with independent legal, financial or other advisors for the benefit of the Board of Directors or such committee, as they may deem necessary, without the need to obtain the approval of any officer of the Company in advance. Such independent advisors may but need not be the regular advisors of the Company. The Board of Directors or any such committee is empowered, without further action by the Company, to cause the Company to pay the compensation of such advisors as established by the Board of Directors or any such committee.

5. WITHHOLD VOTE POLICY

Effect of Withheld Votes on an Uncontested Election. In an uncontested election of directors, any director nominee who receives a greater number of votes "withheld" from his or her election than votes "for" such election shall immediately offer his or her resignation for consideration by the Governance and Nomination Committee. This resignation is conditioned upon the Board's acceptance and thus shall not be effective unless and until the Board of Directors, after considering the recommendation of the Governance and Nomination Committee, accepts the director nominee's offer to resign. Nevertheless, if the director nominee does not wish to remain a director, he or she shall so state and shall tender a non-conditional resignation, which shall be effective as of the date thereof and publicly reported by the Company in a Form 8-K filed with the SEC.

The Governance and Nomination Committee will promptly consider the director nominee's offer to resign and will recommend to the Board of Directors whether to accept or reject it. In making this recommendation, the Governance and Nomination Committee will consider all factors deemed relevant by its members, including, without limitation, the stated reasons (if any) why shareholders "withheld" votes for election from such director nominee, the length of service and qualifications of the director nominee, the director nominee's contributions to the Company, these Corporate Governance Guidelines, whether accepting the offered resignation would cause the Company to fail to meet any applicable

SEC or Nasdaq requirements and whether the director's resignation from the Board would be in the best interests of the Company and its shareholders.

The Board of Directors will act on the Governance and Nomination Committee's recommendation no later than 90 days following the date of the shareholders' meeting at which the election occurred. In considering the Governance and Nomination Committee's recommendation, the Board of Directors will consider the information and factors considered by the Governance and Nomination Committee and such additional information and factors as the Board of Directors deems relevant. The Company will promptly disclose the Board of Directors' decision-making process and its decision whether to accept the director nominee's offer to resign in a Form 8-K filed with the SEC.

Any director nominee who offers his or her resignation for consideration pursuant to this provision will not participate in the Governance and Nomination Committee or Board of Directors deliberations regarding whether to accept the director nominee's offer to resign. This corporate governance guideline will be summarized in each Company proxy statement relating to an election of directors of the Company.
