Long Distance Besties? Days Inn by Wyndham Will Pay You \$10K to Reunite and Create Travel Content

From beach escapes to foodie hotspots, dynamic duos will explore top destinations and turn their trip into share-worthy content as official Days Inn-siders

PARSIPPANY, N.J., June 3, 2025 /PRNewswire/ -- Missing your bestie? Nearly [40% of adults](#) say their closest friends live in another state—and let's face it, even the strongest bonds need more than DMs and video chats to stay close. That's where Days Inn comes in. Just in time for National Best Friends Day, the hotel brand known for spreading sunshine is launching a nationwide search to reunite five pairs of long-distance best friends as its newest brand ambassadors.

With hotels in buzz-worthy destinations coast to coast—designed for every kind of vibe — five dynamic duos will claim the title of official "Days Inn-siders." Their mission? Spend a weekend together spotlighting the best a destination has to offer for the brand's social media channels. In return for awesome content, each pair will receive a \$10,000 payday, plus accommodations, flights and daily travel stipend.

"In a world where group chats fade and schedules collide, Days Inn is making sure one thing stays strong – closeness. With destinations that offer everything from laid-back beach escapes to vibrant city adventures, our hotels create space for best friends to share the kind of moments that stick – and that's exactly what our Days Inn-siders will help bring to life."

– John Henderson, VP, Brand Operations, Days Inn by Wyndham

The Mission: Guaranteed Closeness

Each duo, working together, will document their ultimate "days out" experience – from must-eat bites to must-snap sights – all just steps away from their hotel door. And because no two friendships are the same, each getaway will be designed with a different kind of duo in mind, helping show other travelers that wherever you're headed, the best days out, call for a Days Inn. Whether it's a mother-daughter pair on the hunt for the best beaches or college roommates turned long-distance friends seeking adrenaline-pumping adventures, Days Inn will work with each to craft a trip that caters to their personalities and passions.
