Media Alert: Data-Centric Innovation Summit -- Data Center Platform and Products Fueling Intel's Growth

SANTA CLARA, Calif.--(BUSINESS WIRE)-- Join Intel's executive vice president and general manager of the Data Center Group, Navin Shenoy, as he presents the company's vision for a new era of data-centric computing at Intel's Data-Centric Innovation Summit.

Intel's silicon portfolio, investment in software optimization and work with partners provide an opportunity to fuel new global business opportunities and societal advancements.

During the opening keynote, Shenoy will share his view of Intel's expanded data-centric opportunity and his plans to shape and win key growth trends: artificial intelligence, the cloud and network transformation.

When: Wednesday, Aug. 8; livestream begins at 9 a.m. PDT

Where: Livestream can be accessed at [Intel's investor relations website](#).
