# Mobile Infrastructure to Participate at Barrington Research Virtual Spring Investment Conference on May 29

CINCINNATI--(BUSINESS WIRE)-- Mobile Infrastructure Corporation (NYSE American: BEEP), owners of a diversified portfolio of parking assets throughout the United States, today announced that Stephanie Hogue, President, will host one-on-one investor meetings at the Barrington Research Virtual Spring Investment Conference taking place on May 29, 2025.

## About Mobile Infrastructure Corporation

Mobile Infrastructure is the only publicly traded company in the United States focused exclusively on the ownership and optimization of parking assets across the United States. Mobile invests primarily in parking lots and garages and relies on in-house expertise and technologies to optimize asset utilization. Mobile is an industry leader in positioning central business district parking facilities as micro-mobility hubs. As of March 31, 2025, the Company owned 40 parking facilities in 20 separate markets throughout the United States, with a total of 15,100 parking spaces and approximately 5.2 million square feet. The Company also owns approximately 0.2 million square feet of retail/commercial space adjacent to its parking facilities. Learn more at [www.mobileit.com](http://www.mobileit.com).
