STWA, Inc. to Release Shareholder Update

SANTA BARBARA, Calif., Jan. 24, 2014 (GLOBE NEWSWIRE) --**STWA, Inc.** (the "Company") (OTCQB:ZERO), a developer of integrated solutions for the energy industry, will be issuing a Shareholder Update on January 27th by Chief Executive Officer Mr. Gregory M. Bigger. Topics to be addressed will include a briefing on the deployment of STWA's pipeline flow assurance equipment on one of the primary north-south, mid-continent pipelines in North America's main energy corridor. In addition, Mr. Bigger will discuss the acute challenges being experienced by oil producers and transporters in the upstream, gathering and midstream sectors domestically and globally as a result of the unprecedented surge in upstream crude production and the significant capital expenditures being committed by the industry to mitigate the situation.

Other highlights of the forthcoming shareholder update:

- The New American Energy Renaissance
- Revival of the Oil and Gas Industry Driving U.S. Recovery
- Energy Industry's Inadequate Takeaway Capabilities
- Strong Energy Industry Demand for Effective Solutions
- New Pipeline Infrastructure Technologies Coming Online
- Commitment to Collaborative Development of Operational Efficiency Solutions
