

# BORAX-FREE PEARLY SLIME

## WHAT YOU'LL NEED:

1 Cup Clear Glue

Contact Lens Solution

Water

1/2 TSP Baking Soda

Glitter

## DIRECTIONS:

1. Mix clear glue and contact lens solution in a medium bowl. In a separate bowl, mix together water and baking soda.

COMBINE WITH FIRST BOWL

2. Combine the 2 bowls and mix well!

3. Once mixed there will be excess liquid. Pour this out.

4. We love glitter! Make your pearly slime sparkle with your favorite glitter!

Squish it, smosh it and stretch it. Enjoy!
