	Withheld	0	0.00%

In addition, at the Meeting, shareholders appointed MNP LLP as auditors of the Company and approved an amendment to the Equity Incentive Plan.

About Boardwalktech Software Corp.

Boardwalktech has developed a patented Digital Ledger Technology Platform used by Fortune 500 companies running hundreds of live mission-critical applications worldwide. Boardwalktech's patented digital ledger technology and its unique method of managing vast amounts of structured and unstructured data is the only platform on the market today where multiple parties can effectively work on the same data simultaneously. Boardwalktech can deliver a collaborative purpose-built enterprise information management application on any device or user interface with full integration with enterprise systems of record in a fraction of the time it takes other non-digital ledger technology-based applications.

Boardwalktech is headquartered in Cupertino, California with offices in India and operations in North America. To learn more about Boardwalktech and its capabilities, please visit www.boardwalktech.com.
