## **TXO Partners, L.P. Announces Full Exercise and Closing of Underwriters' Option**

FORT WORTH, Texas--(BUSINESS WIRE)-- TXO Partners, L.P. (NYSE: TXO) ("TXO") today announced the full exercise of the underwriters' option to purchase an additional 1,750,000 of our common units representing limited partner interests in TXO (the "common units") at a price to the public of \$15.00 per common unit, less underwriting discounts and commissions. The exercise of the underwriters' option closed on May 19, 2025.

TXO expects to receive net proceeds of approximately \$23.9 million from this option exercise, after deducting underwriting discounts and commissions. TXO intends to use the net proceeds from the option exercise to fund a portion of the cash consideration for the previously announced asset acquisition from White Rock Energy, LLC, a portfolio company of Quantum Capital Group (the "Acquisition"). Pending the closing of the Acquisition, and in the event that the Acquisition is not completed, the proceeds from the option exercise will be used to repay the outstanding borrowings under TXO's revolving credit facility and for general partnership purposes.

Raymond James and Stifel are acting as joint book-running managers for the offering. Capital One Securities, Mizuho, and Texas Capital Securities are also acting as joint book-running managers for the offering. The offering is being made pursuant to a combined prospectus with respect to two effective shelf registration statements, filed by TXO with the Securities and Exchange Commission ("SEC").
