About NextPlat Corp

NextPlat is a global e-commerce platform company created to capitalize on multiple high-growth sectors and markets including technology and healthcare. Through acquisitions, joint ventures and collaborations, the Company intends to assist businesses in selling their goods online, domestically, and internationally, allowing customers and partners to optimize their e-Commerce presence and revenue. NextPlat currently operates an e-Commerce communications division offering voice, data, tracking, and IoT products and services worldwide as well as pharmacy and healthcare data management services in the United States through its subsidiary, Progressive Care LLC.

Forward-Looking Statements

Certain statements in this release constitute forward-looking statements. These statements include the capabilities and success of the Company's business and any of its products, services, or solutions. The words "believe," "forecast," "project," "intend," "expect," "plan," "should," "would," and similar expressions and all statements, which are not historical facts, are intended to identify forward-looking statements. These forward-looking statements involve and are subject to known and unknown risks, uncertainties and other factors, any of which could cause the Company to not achieve some or all of its goals or the Company's previously reported actual results, performance (finance or operating), including those expressed or implied by such forward-looking statements. More detailed information about the Company and the risk factors that may affect the realization of forward-looking statements is set forth in the Company's filings with the Securities and Exchange Commission (the "SEC"), copies of which may be obtained from the SEC's website at www.sec.gov. The Company assumes no, and hereby disclaims any, obligation to update the forward-looking statements contained in this press release.
