

Cryoport to Report First Quarter 2022 Financial Results on May 5, 2022

NASHVILLE, Tennessee, April 28, 2022 - Cryoport, Inc. (Nasdaq: CYRX) (“Cryoport” or the “Company”), a global leader in temperature-controlled supply chain solutions for the life sciences industry, today announced that the Company will report financial results for the three months period ended March 31, 2022 (first quarter 2022) on Thursday, May 5, 2022 after U.S. markets close.

In addition to the earnings release, a document titled “Cryoport First Quarter 2022 in Review”, providing a review of Cryoport’s recent financial and operational performance and a general business update, will be issued at 4:05 pm ET on Thursday, May 5, 2022. The document is designed to be read in advance of the questions and answers conference call and will be accessible at <http://ir.cryoport.com/events-and-presentations>.

Cryoport management will host a conference call the same day at 5:00 pm ET. The conference call will be in the format of a questions and answers session and will address questions members of the investment community have regarding the Company’s reported results. A slide deck will accompany the call.

Forward-Looking Statements

Statements in this press release which are not purely historical, including statements regarding the Company's intentions, hopes, beliefs, expectations, representations, projections, plans or predictions of the future, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, those related to the Company's industry, business, plans, strategy, acquisitions, financial results and financial condition. It is important to note that the Company's actual results could differ materially from those in any such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to, risks and uncertainties associated with the effect of changing economic conditions, trends in the products markets, variations in the Company's cash flow, market acceptance risks, and technical development risks. The Company's business could be affected by a number of other factors, including the risk factors discussed in the Company's Securities and Exchange Commission ("SEC") reports including, but not limited to, the Company's Annual Report on Form 10-K for the three and twelve months ended December 31, 2021 and any subsequent filings with the SEC. The forward-looking statements contained in this press release speak only as of the date hereof and the Company cautions investors not to place undue reliance on these forward-looking statements. Except as required by law, the Company disclaims any obligation, and does not undertake to update or revise any forward-looking statements in this press release.
