CryoPort Completes Move to New Facility

LAKE FOREST, CA -- (MARKET WIRE) -- 09/20/07 -- CryoPort, Inc. (OTCBB: CYRX) announced today that it has successfully completed the move of its corporate offices, manufacturing and recycling operations to a new, larger facility with approximately 50 percent more warehouse and office space. The Company's new contact information is as follows:

CryoPort, Inc.
20382 Barents Sea Circle
Lake Forest, CA 92630
Phone: 949-470-2300
Fax: 949-470-2306

CryoPort's CEO Peter Berry commented, "The increased capacity of the new facility will allow us to meet anticipated demand for the launch of the CryoPort Express® One-Way Shipper System as we ramp up manufacturing and implement the platform for global recycling. In anticipation of this move, we have already placed orders several weeks ago for the necessary raw materials and required new production equipment."

About CryoPort, Inc.

CryoPort (www.cryoport.com) develops leading edge, proprietary, technology-driven shipping and storage products for use in the rapidly growing global biotechnology and biopharmaceutical cold chain. The products developed by CryoPort are essential components of the infrastructure required for the testing, research and end user delivery of temperature-sensitive medicines and biomaterials in an increasingly complex logistical environment.
