CryoPort Expands Biotech Reach

Company Initiates Several Pilot Programs for Shipping Stem Cells and Biologics Globally

LAKE FOREST, CA -- (MARKET WIRE) -- 03/25/08 -- CryoPort, Inc. (OTCBB: CYRX) today announced that it has successfully completed several shipments of stem cells and other biological materials for a number of potential biotech customers utilizing the CryoPort Express(TM) Shipper.

In the next two to three weeks additional shipments will be made to a number of different global locations including Peru, Australia and Canada. These shipments are all part of pilot programs to showcase the ease of use, the stringent temperature control and strength of the CryoPort Express(TM) Shippers.

Peter Berry, CEO of CryoPort, stated, "We continue to make strides in our introduction of the CryoPort Express(TM) Shipper. Our pilot programs continue to expand and add potential clients that we believe over the long term will become ongoing users of the CryoPort Express(TM) Shipper."
