Cryoport Presenting at CAR-T Summit

LAKE FOREST, Calif.--(BUSINESS WIRE)-- [Cryoport, Inc.](#) (OTCBB: CYRX), the leading provider of advanced cryogenic logistics solution, is pleased to announce that [Mark Sawicki, Ph.D.](#), chief commercial officer, will speak alongside [Robin Hooker](#), healthcare marketing director for UPS, at the [CAR-T Summit](#) in Boston at 3:30 p.m. Nov. 13, 2015.

The two industry leaders will present "Cryo Chain Strategies: From Research to Commercialization" at the Hyatt Regency Cambridge, offering insight into the shipment of cryopreserved biomaterials, cold chain planning, and logistical and risk mitigation strategies used by industry leaders.

"We're determined to minimize interventions and maximize the quality, timeliness, compliance and overall efficiency of distributing frozen biomaterials globally," said Sawicki. "We'll be presenting innovative methods used to monitor and ship biomaterials in all stages of drug development."

Sawicki has more than 15 years of business development and sales management experience. Prior to joining Cryoport, he held senior management roles at several global pharmaceutical companies.

Hooker helped develop and execute UPS's health care marketing strategy to serve the unique logistical needs of the health care sector and leverage UPS's logistics expertise while maintaining regulatory compliance.

The CAR-T Summit, Nov. 12–13, is dedicated to delivering the next generation of safe, effective and commercially viable CAR-T cell therapies.
