

Company Overview

SeaChange International (NASDAQ:SEAC) powers hundreds of cloud and on-premises platforms with live TV and video on demand (VOD) for more than 50 million subscribers worldwide. SeaChange's end-to-end solution, the Framework, enables operators and content owners to cost-effectively launch a direct-to-consumer video service. This includes back-office, media asset management, ad management, analytics and a client application for set-top boxes (STB), Smart-TVs and mobile devices. Framework is available as a product or managed service, and can be deployed on-premises, in the cloud or as a hybrid.
