

## Company Overview

BIOLASE, Inc. is a medical device company that is a global market leader in the manufacturing and marketing of proprietary dental laser systems that enable dentists and dental specialists to perform a broad range of minimally invasive dental procedures, including cosmetic, restorative, and surgical applications. BIOLASE's laser systems are designed to provide clinically superior, patient-friendly results for many types of common dental procedures compared to those achieved with traditional instruments. BIOLASE has sold over 38,900 laser systems to date in over 90 countries around the world.
