Coveo Announces Sumit Pande is Stepping Down from its Board of Directors

MONTREAL and SAN FRANCISCO, March 30, 2023 (GLOBE NEWSWIRE) -- [Coveo Solutions Inc.](#) ("Coveo" or the "Company") (TSX: CVO), a leader in AI platforms that transform digital experiences with intelligent search, recommendations, 1:1 personalization and merchandising, today announced that Sumit Pande is stepping down from its board of directors, effective March 31, 2023 after markets close. Mr. Pande also served as a member of the audit and compensation committees of the Company.

Mr. Pande served on Coveo's board for approximately two years and was involved in the Company's transition to a public company. He was previously Head of TMT at Qatar Investment Authority Advisory USA ("QIA"). QIA is one of Coveo's largest institutional investors.

"On behalf of the board, the executive team and our shareholders, we thank Sumit for his involvement and the significant impact he has had on Coveo" said Louis Têtu, Chief Executive Officer and Chairman of the board of Coveo. "During his tenure, Sumit made many contributions to the success and growth of Coveo, drawing on a wealth of experience gained over a long and very successful business career."

"It has been a privilege to work with Coveo's board and the executive team" said Mr. Pande. "I must step away from the board to focus on my responsibilities at a new private equity investment firm. However, I remain fully supportive of the Company and its growth strategy, spearheaded by a seasoned management team."

Forward-Looking Information

This press release contains “forward-looking information” and “forward-looking statements” within the meaning of applicable securities laws (collectively, “forward-looking information”). This forward-looking information is identified by the use of terms and phrases such as “may”, “would”, “should”, “could”, “might”, “will”, “achieve”, “occur”, “expect”, “intend”, “estimate”, “anticipate”, “plan”, “foresee”, “believe”, “continue”, “target”, “opportunity”, “strategy”, “scheduled”, “outlook”, “forecast”, “projection”, or “prospect”, the negative of these terms and similar terminology, including references to assumptions, although not all forward-looking information contains these terms and phrases. In addition, any statements that refer to expectations, intentions, projections, or other characterizations of future events or circumstances contain forward-looking information. Statements containing forward-looking information are not historical facts but instead represent management’s expectations, estimates, and projections regarding future events or circumstances.

Forward-looking information is necessarily based on a number of opinions, estimates, and assumptions that we considered appropriate and reasonable as of the date such statements are made. Although the forward-looking information contained herein is based upon what we believe are reasonable assumptions, actual results may vary from the forward-looking information contained herein. Certain assumptions made in preparing the forward-looking information contained in herein include, without limitation: our ability to capitalize on growth opportunities and implement our growth strategy; our ability to attract new customers, both domestically and internationally; the success of our efforts to expand our product portfolio and market reach; our ability to maintain successful strategic relationships with partners and other third parties; our future capital requirements; the available liquidity under our revolving credit facility; the accuracy of our estimates of market opportunity and growth forecasts; our success in identifying and evaluating, as well as financing and integrating, any acquisitions, partnerships, or joint ventures; our ability to execute on our expansion plans; and the future impact of the COVID-19 pandemic. Moreover, forward-looking information is subject to known and unknown risks, uncertainties, and other factors, many of which are beyond our control, that may cause the actual results, level of activity, performance, or achievements to be materially different from those expressed or implied by such forward-looking information, including but not limited to macro-economic uncertainties and the risk factors described under “Risk Factors” in the Company’s most recently filed Annual Information Form available under our profile on SEDAR at www.sedar.com. There can be no assurance that such forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, prospective investors should not place undue reliance on forward-looking information, which speaks only as of the date made.

Moreover, we operate in a very competitive and rapidly changing environment. Although we have attempted to identify important risk factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other risk

factors not presently known to us or that we presently believe are not material that could also cause actual results or future events to differ materially from those expressed in such forward-looking information.

You should not rely on this forward-looking information, as actual outcomes and results may differ materially from those contemplated by this forward-looking information as a result of such risks and uncertainties. Additional information will also be set forth in other public filings that we make available under our profile on SEDAR at www.sedar.com from time to time. The forward-looking information provided in this press release relates only to events or information as of the date hereof, and are expressly qualified in their entirety by this cautionary statement. Except as required by law, we do not assume any obligation to update or revise any forward-looking information, whether as a result of new information, future events, or otherwise, after the date on which the statements are made or to reflect the occurrence of unanticipated events.
