Safe Harbor Statement Under the Private Securities Litigation Reform Act of 1995

This news release contains certain statements of a forward-looking nature relating to future events or future business performance. Forward-looking statements can be identified by the words "expects," "anticipates," "believes," "intends," "estimates," "plans," "will," "outlook" and similar expressions. Forward-looking statements are based on management's current plans, estimates, assumptions and projections, and speak only as of the date they are made. With the exception of historical information, the matters discussed in this press release including, without limitation, Polar Power's statements about its projected financial results for 2018 and future operating results including Polar Power's expectation of improved net margins during

the second half of 2019; Polar Power's expectation that as a result of accomplishments made in 2018 combined with its expanded international sales infrastructure, Polar Power is positioned for continued positive revenue growth in 2019; Polar Power's statements regarding its 2019 operational outlook including its expectation for more operational efficiencies and capital utilization in 2019; Polar Power's R&D expectations for 2019; and Polar Power's expectation that it will benefit from its new product launches in 2019 and beyond are forward-looking statements and considerations that involve a number of risks and uncertainties. The actual future results of Polar Power could differ from those statements. Factors that could cause or contribute to such differences include, but are not limited to, the review of Polar Power's results of operations for 2018 by its auditors and potential material adjustments that they be required upon the conclusion of such review, adverse domestic and foreign economic and market conditions, including demand for DC power systems; trade tariffs on raw materials; changes in domestic and foreign governmental regulations and policies; and other events, factors and risks. Polar Power undertakes no obligation to update any forward-looking statement in light of new information or future events, except as otherwise required by law. Forward-looking statements involve inherent risks and uncertainties, most of which are difficult to predict and are generally beyond our control. Actual results or outcomes may differ materially from those implied by the forward-looking statements as a result of the impact of a number of factors, many of which are discussed in more detail in Polar Power's reports filed with the Securities and Exchange Commission.
