Pola Power, Inc. Announces Its Participation in the 31st Annual ROTH Conference

GARDENA, Calif., March 12, 2019 (GLOBE NEWSWIRE) -- Polar Power, Inc. (NASDAQ: POLA), a global provider of prime, backup and solar hybrid solutions, will be attending the 31st Annual ROTH Conference being held at The Ritz Carlton, Laguna Niguel in Orange County, California, on March 17-19, 2019.

The conference will feature presentations from public and private companies across a variety of industry sectors. Last year, the ROTH Conference hosted close to 550 participating companies and more than 4,700 attendees, including institutional investors, analysts, family offices and high net worth investors.

Polar Power's Chief Executive Officer, Arthur D. Sams, is scheduled to host one-on-one meetings with investors and analysts held throughout the day on March 18th and 19th. Joining him will be the company's Chief Operating Officer, Raj Masina and Chief Financial Officer, Luis Zavala. In addition to one-on-one meetings, the Company will be hosting a booth displaying its new natural gas fueled electric vehicle home charger.

The company recently announced preliminary results for 2018 with expected total revenue between \$23.7 million and \$24.1 million, including fourth quarter total revenue of between \$8.0 million to \$8.4 million. Both the full year 2018 and fourth quarter 2018 revenues represent record growth for the company. These results, which are subject to audit, represent annual increases of \$9.3 million to \$9.7 million, which translates into approximately 64% to 67% year-over-year growth. Revenue for both the full year and fourth quarter 2018 consist predominantly of sales to Tier-1 U.S. telecommunication customers.
