Polar Power Announces \$2.8 Million Private Placement

GARDENA, Calif., July 02, 2020 (GLOBE NEWSWIRE) -- Polar Power, Inc. (NASDAQ: POLA), a global provider of prime, backup and solar hybrid power solutions, today announced that it has entered into definitive agreements with certain institutional investors to raise aggregate gross proceeds of approximately \$2.8 million through the private placement of its equity securities.

Polar Power will sell an aggregate of 1,250,000 shares of the Company's common stock at \$2.25 per share. Additionally, investors will receive a common stock purchase warrant to purchase up to a number of shares of the Company's common stock equal to, for each share purchased by the investor, 0.5 shares of common stock. The warrants will have an exercise price of \$3.13 per share, are exercisable immediately and have a term of five years. The offering is expected to close on or about July 7, 2020, subject to customary closing conditions.

Polar Power intends to use the net proceeds from the offering for working capital purposes.

Roth Capital Partners acted as exclusive placement agent for the transaction.

This press release does not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.

The securities to be sold in the offering have not been registered under the Securities Act of 1933, as amended, or state securities laws and may not be offered or sold in the United States absent registration with the Securities and Exchange Commission or an applicable exemption from such registration requirements. Polar Power has agreed to file a registration statement with the Securities and Exchange Commission covering the resale of the shares of common stock, including the shares of common stock issuable upon exercise of the warrants, sold in the private placement.
