ME₂C® Environmental to Present at the Q1 Virtual Investor Summit

CORSICANA, TX, Feb. 28, 2022 (GLOBE NEWSWIRE) -- Midwest Energy Emissions Corp. (OTCQB: MEEC) ("ME₂C Environmental" or the "Company"), a leading environmental technologies firm, today announced that Richard MacPherson, CEO of ME₂C Environmental, has been invited to present at the Q1 Virtual Investor Summit. The conference will take place on March 8-9, 2022, and includes a company presentation and Q&A at 10:15 a.m. ET on Tuesday, March 8, 2022.

Richard MacPherson's presentation will provide highlights of recent company news, including increased business in its patented Sorbent Enhancement Additive (SEA®) technologies for mercury emissions capture and progress on its emerging technology for rare earth element (REE) processing. Mr. MacPherson will also discuss the Company's previously announced expectations of full-year 2021 preliminary unaudited revenues of approximately \$13.0 million compared to approximately \$8.2 million for 2020, and full year 2022 preliminary revenue guidance in the range of approximately \$20 to \$22 million, representing 60% year-over-year revenue growth.

To request a complimentary investor registration and 1-to-1 meeting with ME₂C® Environmental, please visit the conference website at www.investorsummitgroup.com.

About The Investor Summit

The Investor Summit is an exclusive, independent conference dedicated to connecting small cap and microcap companies with qualified investors. The Q1 Investor Summit will take place virtually, featuring 100 companies and over 300 institutional and retail investors.

About ME₂C® Environmental

ME₂C Environmental is a leading environmental technologies company developing and delivering patented and proprietary solutions to the global power industry. ME₂C's leading-edge mercury emissions services have been shown to achieve emissions removal at a significantly lower cost and with less operational impact than currently used methods, while maintaining and/or increasing power plant output and preserving the marketability of byproducts for beneficial use. ME₂C Environmental is a trade name of Midwest Energy Emissions Corp. For more information, please visit <http://www.me2cenvironmental.com/>.

Safe Harbor Statement

With the exception of historical information contained in this press release, content herein may contain "forward-looking statements" that are made pursuant to the Safe Harbor Provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are generally identified by using words such as "anticipate," "believe," "plan," "expect," "intend," "will," and similar expressions, but these words are not the exclusive means of identifying forward-looking statements. These statements are based on management's current expectations and are subject to uncertainty and changes in circumstances. Investors are cautioned that forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from the statements made. Matters that may cause actual results to differ materially from those in the forward-looking statements include, among other factors, the gain or loss of a major customer, change in environmental regulations, disruption in supply of materials, capacity factor fluctuations of power plant operations and power demands, a significant change in general economic conditions in any of the regions where our customer utilities might experience significant changes in electric demand, a significant disruption in the supply of coal to our customer units, the loss of key management personnel, availability of capital and any major litigation regarding ME₂C Environmental. In addition, this release contains time-sensitive information that reflects management's best analysis only as of the date of this release. ME₂C Environmental does not undertake any obligation to publicly update or revise any forward-looking statements to reflect future events, information or circumstances that arise after the date of this release. Further information concerning issues that could materially affect financial performance related to forward-looking statements contained in this release can be found in ME₂C Environmental's periodic filings with the Securities and Exchange Commission.
