Forward Looking Statements

Any statements of the Company's expectations in this press release constitute "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. Such statements, including but not limited to our expectation for a positive pricing to commodity input cost relationship, are based on currently available information and are subject to various risks and uncertainties that could cause actual results to differ materially from the Company's present expectations. These risks and uncertainties include, but are not limited to, inflation of and volatility in raw material and energy costs, continuing pressure for lower cost products, the Company's ability to implement its business strategies, including productivity initiatives, cost reduction plans, and integration activities, as well as the Company's debt level, currency movements and other risks of conducting business internationally, the impact of regulatory and litigation matters, including the continued availability of the Company's net operating loss offset to taxable income. Undue reliance should not be placed on such forward-looking statements, as such statements speak only as of the date on which they are made and the Company undertakes no obligation to update such statements, except as required by law. Additional information regarding these and other risks is contained in the Company's periodic filings with the SEC.
