MTBC to Release Q2 2014 Financial Results on August 27, 2014

SOMERSET, N.J., Aug. 11, 2014 (GLOBE NEWSWIRE) -- MTBC (Nasdaq:MTBC), a leading provider of proprietary, web-based electronic health records, practice management and mHealth solutions, today announced that the company will release the results for its second quarter ended June 30, 2014 before the market opens on Wednesday, August 27, 2014. MTBC will hold a conference call for investors on August 27 at 8:30 a.m. EDT during which management will review highlights from the company's second quarter 2014 results, its business outlook and other matters.

The call can be accessed by dialing 866-652-5200 and referencing "MTBC Second Quarter Earnings Call".

An audio webcast of the call will be available live and archived on MTBC's investor relations website at ir.mtbc.com.

A replay of the conference call will be available approximately one hour after conclusion of the call and will be accessible through November 1, 2014. The replay can be accessed by dialing 877-344-7529 and providing access code 10051197.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the federal securities laws. These statements relate to anticipated future events, future results of operations or future financial performance. In some cases, you can identify forward-looking statements by terminology such as "may," "might," "will," "should," "intends," "expects," "plans," "goals," "projects," "anticipates," "believes," "estimates," "predicts," "potential," or "continue" or the negative of these terms or other comparable terminology. These forward-looking statements include, but are not limited to: our ability to manage our growth; our ability to retain customers of the businesses we acquire and to migrate those customers to our solutions and services; our ability to compete with other companies that are developing and selling services that are competitive with our products and services and who may have greater resources and name recognition than we do; our ability to maintain our operations in Pakistan and continue to offer competitively priced products and services; market acceptance of our products and services; changes in the healthcare industry and the changing regulatory environment we operate in; our ability to attract and retain personnel, including the services of Mahmud Haq; Our ability to protect or enforce our intellectual property rights; our ability to maintain and protect the privacy of our customers' and their patients' data. Moreover, we operate in a very competitive and rapidly changing regulatory environment. New risks and uncertainties emerge from time to time, and it is not possible for us to predict all of the risks and uncertainties that could have an impact on the forward-looking statements contained in this press release.

Disclaimer:

This press release is for information purposes only, and does not constitute an offer to sell or solicitation of an offer to buy, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state or jurisdiction.
